General Note:

Currently, we are facing an unprecedented crisis with the COVID-19 Pandemic. As in many other aspects of our daily lives, we will need to be flexible and thoughtful in our approach to our roles as Board Members, Coaches, and mentors to young people. We do not yet know all of the impacts to our community and our members, or the duration of executive orders or other limitations. We do not yet know the potential impacts or potential delays to our football season. This will impact all of us in a variety of different ways. I ask that we all keep this in mind in the execution of our specific roles, keeping the interest of our young athletes at the forefront of everything that we do.

GENERAL NOTATION FOR MEETING. IN HOLDING PATTERN ON NEARLY ALL AREAS PENDING DEVELOPMENTS OF COVID 19 PANDEMIC. CURRENTLY STILL ON SHELTER IN PLACE. MANY OF THE USUAL ITEMS TO BE ADDRESSED MAY BE ADDRESSED MORE COMPREHENSIVELY IN FUTURE MEETINGS WHEN INFORMATION, OR DIRECTION IS PROVIDED.

OEC Updates:

Update from the OEC:
No New update from OEC

Note/Question:

PREVIOUSLY POSED: If it has not already been requested, in the interest of continuing youth football and cheer for the 2020 season, can we ask the OEC or WESCON or National Pop Warner to consider waiving some of the restrictions or requirements that are not directly related to player/participant safety? **Any update on this from discussions with OEC/WESCON or Others?**
